

SDG 9: Industry, Innovation, and Infrastructure

MANDATE	REPORT DESCRIPTION
Special Rapporteur on the right to development	Report presented to the 74th session of the UNGA in 2019 on the explicit link between the right to development and disaster risk reduction and its practical implications, noting that the 2030 Agenda includes several SDGs and targets that can contribute to reducing disaster risk and building resilience and thus at the same time contribute to achieving the Goals by reducing disaster risk, including Targets 9.1 and 9.A on building resilient infrastructure (A/74/163).
Special Rapporteur on the issue of human rights obligations relating to the enjoyment of a safe, clean, healthy and sustainable environment	Report presented to the 40th session of the HRC in 2019 on the right to breathe clean air, noting, among other things, that improving air quality would benefit human rights related to other SDGs, such as SDG 9 (A/HRC/40/55).
Special Rapporteur on the rights to freedom of peaceful assembly and of association	Report presented to the 41st session of the HRC in 2019 on the opportunities and challenges facing the rights to freedom of peaceful assembly and of association in the digital age, recalling States' commitment under Target 9.3 to "significantly increase access to information and communications technology and strive to provide universal and affordable access to the Internet in least developed countries by 2020" (A/HRC/41/41).
Special Rapporteur on violence against women , its causes and consequences	Report presented to the 38th session of the HRC in 2018 on online violence against women, discussing SDG 9, in particular Target 9.C (A/HRC/38/47).
